

Leeco Steel LIVESMART Fitness Reimbursement

The company encourages employees to participate in the LIVESMART Wellness Program and in recreational and fitness activities as a means to better health. To promote this policy, the company will share the cost of the defined employee health and physical fitness activities or approved equipment listed below. To qualify, an employee must be a LIVESMART program participant. The LIVESMART team will review requests for reimbursement and certify reimbursement of eligible expenses once annually. Beginning with expenses incurred on or after January 1, 2024, employees may request reimbursement for 100% of associated costs up to \$400 (total per family) annually toward recreation and fitness activities or approved equipment. For example, if the gym membership is \$500, the amount of \$400 is eligible for reimbursement.
